

ADVANTAGE

...rising above the service you expectSM

ADVANTAGE-Choice

You now have the option of offering your employees more choice in selecting their healthcare providers. Because ADVANTAGE understands the importance of maintaining the doctor patient relationship, we have created ADVANTAGE-Choice.

The ADVANTAGE-Choice product includes our traditional hospital affiliated networks as well as a partnering PPO-type network.

ADVANTAGE-Choice HIGHLIGHTS

- Your employees may select one of the contracted ADVANTAGE affiliated networks or our partnering network at the time of enrollment
- Self referrals allowed to most specialists within the member's network
- Same health plan benefits across all participating networks
- Point of Service Rider available to give members access to providers outside of their chosen network at a reduced benefit
- Consolidated administration
 - One enrollment form
 - One premium bill
 - Integrated and comprehensive claims and utilization reports

UNDERWRITING GUIDELINES

- Available to groups with 51 or more eligible employees
- 80% of employees must reside in the ADVANTAGE network service area
- Employee costs will be 15% to 25% higher for those employees selecting the PPO network
- Primary Care Network selected at time of enrollment
