\* Level 2 = Second Level Benefits include the benefits above, except: routine physicals other than mammograms, PSA tests, and colorectal screening described above; hearing and vision services; immunizations and injections; well child care; substance abuse services; DME; artificial aids and corrective appliances; treatment for morbid obesity; and outpatient prescription drugs. These services are only covered under the First Level Benefits. Most Second Level (non-referred) non-emergency benefits (except physician office visits and outpatient diagnostic tests) require you to seek prior authorization by calling the Pre-Cert phone number on your ID card during regular business hours. An additional coinsurance penalty may apply for any service that is received out of network without prior authorization.

### **Non-Covered Services**

- Services and supplies that are not performed, arranged, authorized, or approved in advance by the Member's PCP, except in an emergency situation as specifically stated in the Certificate of Coverage and/or Member Reference Guide;
- Services and supplies that are not medically necessary;
- Items or devices primarily used for comfort, including, but not limited to air purifiers, humidifiers, dehumidifiers, whirlpools, air conditioning, waterbeds, exercise equipment, and ultraviolet lighting;
- Non-skilled care, rest cures, respite care, or domiciliary care, regardless of the setting;
- Physical exams and related x-ray and lab expenses, when provided for employment, school, sports' programs, travel, immigration, administrative purposes, or insurance purposes;
- Orthodontia and other dental services except as expressly stated in the Certificate of Coverage;
- Eyeglass lenses unless medically necessary following cataract surgery; refractive surgery performed to treat myopia or hyperopia;
- Cosmetic or reconstructive procedures, and any related services or supplies, which alter appearance, but do not restore or improve impaired physical function (except for services covered in accordance with the Women's Health and Cancer Act of 1998 and services covered for newborns as outlined in Indiana Code 27-8-5.6-2; ); wigs;
- Except for physician-supervised programs referred by your physician and authorized by ADVANTAGE, services, drugs, and supplies for weight loss, diet, health or exercise programs, health clubs dues, or weight reduction clinics. However, you are entitled to access ADVANTAGE's discount for such drugs through a participating pharmacy;
- All treatment, procedures, facilities, equipment, drugs, devices, services, or supplies that are considered to be experimental;
- Voluntary termination of pregnancy, except when the life of the mother would be endangered if the fetus were carried to term;
- Treatment of temporomandibular joint (TMJ) disorder
- Treatment of infertility, including drugs
- Hearing aids, except when due to congenital abnormality, Hearing therapy, or cochlear implants and their fitting
- Growth Hormones and related products;
- Over-the-counter drugs, except those listed within your ADVANTAGE Prescription Formularies;
- Birth control drugs, supplies, or devices; however, you are entitled to access ADVANTAGE's discount for such drugs through a contracting pharmacy;
- Surgical treatment for Morbid Obesity;
- Other exclusions as described in the Certificate of Coverage

### **Limitations**

- Short-term therapies are limited to conditions the physician feels are subject to continuing improvement with treatment over a two-month period.
- Members must use the Plan's participating providers. These providers are subject to change from time to time.
- Members must live or work within the Plan's service area to remain covered by the Plan.
- Members must select a PCP within a 30-mile radius of their residence or place of work.
- Mandatory Generic Substitution is required for all prescription drugs. When the Member or the Member's physician requests a Brand Name prescription drug and a Generic equivalent is available, the Member will pay his/her applicable Copayment/Coinsurance plus the cost difference between the Generic and the Brand Name Drug.

### **Patient Protection Disclosure**

- ADVANTAGE Health Solutions, Inc. generally requires the designation of a primary care provider upon enrollment. You have the right to designate any primary care provider who participates in our network and who is available to accept you or your family members. You may designate a participating pediatrician for your dependent child. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Member Services at 1-800-553-8933 or log on to [www.advantageplan.com](http://www.advantageplan.com).
- You do not need prior authorization from ADVANTAGE Health Solutions, Inc. or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in your selected network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact Member Services at 1-800-553-8933 or log on to [www.advantageplan.com](http://www.advantageplan.com).
